Friday 29th January 2021

Dear Parents/Carers,

Firstly I would like to thank you and reassure you that you are doing a fantastic job supporting your children with their home learning. I appreciate the difficulties that you are facing and understand that this lock down is affecting us far greater than the previous two lock downs have.

If anyone is struggling, needs any support at all or just needs to have a chat please contact school and we will support you however we can.

Remote Learning

Our remote learning is something we are constantly looking at to see how we can develop it further. We were hoping that school would be reopening after February Half Term but we now know that schools will be closed for longer.

From next week, starting on 02/02/2021, we will be doing live sessions with each class. These will take place daily, your child's class teacher will contact you with a time and information of how to access the session.

During these sessions, the teacher will explain to the children the timetable for the day and what is expected of them. It will also give the children the opportunity to see each other and ask any questions that they need to ask.

Once a week, adults will record a video of themselves reading a story and post it onto your Dojo Class Story.

We will be starting Star of the Week from next week. We will pick a home star and a school star for those who are trying their best and engaging with their learning. Stars will be announced each Friday. Certificates will be posted out to those children at home.

Children are still able to earn Dojo points by working hard and completing the tasks set.

We appreciate your patience whilst we roll out this new way of working and dealing with any technical issues that might arise.

Thank you for your continued support,

Mrs M Roney

Headteacher
