Monday 4th January 2021

Dear Parents/Carers,

In light of our Prime Minister's announcement this evening, it saddens me that we will not be able to open school for all of our children on Wednesday 6th January. School will only be open to children of Key Workers or Vulnerable children.

Most of you will know if your child falls into this category from the summer term, but I appreciate people's situations change, so I have put a link to the government definition below.

www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision

If you are a key worker or your child is classed as a vulnerable child, please let me know via Class Dojo or you can telephone school tomorrow, if you need a place in school so that I can sort out numbers. When letting me know, could you also let me know your key worker role.

Parents who believe that their children fall into this category will not be turned away from school on Wednesday, however, we will work through the guidance tomorrow to ensure that only children who fall into these categories will be able to attend moving forward.

I will be in touch tomorrow with further information as I receive it, including our remote learning provision and information around free school meals.

Thank you for your continued support during these unprecedented times.

Take care and stay safe.
