Art in the Garden!

Step-by-step Guide

1. Find some natural objects, and collect as many different materials as you can find. Look for things that are spiky or polished, dull or shiny, different colours, (Don't pick your parents' flowers without permission!) hard or soft, hairy or smooth, rough or smooth and so on!

2. Here are some ideas: look for feathers, leaves and bark from the floor (don't take them off a live tree), sticks & twigs, seed heads, blossom flowers (from the floor), moss, grass. Anything you think would work, use you imagination!

3. I made some for you to look at. A bee, a chameleon, A tree in Winter, a hedgehog, and a sheep. I hope you like them and are inspired to do your own. Now it's your turn. Use your imagination! You could make a dinosaur, a face, a family, a house, a boat on the sea....you name it! Don't forget to send us your pictures.

Bumblebee

Chameleon

Sheep

Hedgehog

Tree
