Dear Parents/Carers,

School leaders and governors review our COVID risk assessment each week. Please find the reviewed risk assessment (**Version 3**) on the school website. Home page, About Us section, COVID-19 Information. You will also find other useful COVID-19 related information on this section of the website.

Important Reminders.

- ❖ It is **essential** that parents/ carers wear face coverings when picking up and/ or dropping of their children. If you are exempt, can you please inform Mrs Roney by emailing gregory-ao@st-gregorys.liverpool.sch.uk
- ❖ Please adhere to our **one way system** for when on school site. I know that for some classes this is putting extra time onto your journey but it is very important that we continue with this system.
- ❖ Please observe **social distancing of at least 2m** when dropping off or picking up your child.
- ❖ **One adult** to drop off and pick up at the allocated time. You should only bring brothers or sisters if you have no alternative option.
- ❖ If brothers and sisters have been collected, please ensure they remain by your side and adhere to the social distancing measures we have in place. **Please note children should not be running on the grass or climbing on the play areas around the school grounds.**
- ❖ Please do not congregate around the gates / school for any other reasons.
- ❖ Please read the COVID Poster for Parents on the school website.

Reducing the amount of adults on site at any one time – in order to keep the amount of adults on site to a minimum there are staggered start and finish times.

Staff will be opening the doors at the above times, please do not come too early so that you are waiting around for your child's door to open.

I make these decision with your safety in mind and also because of the increased confirmed COVID-19 numbers in the city. The safety of our whole school community is paramount.

Thank you as always for you co-operation and continued support in keeping our school community safe.

Stay safe,

Mrs M Roney
