

I have been a Foundation Governor at St. Gregory's since 2013. I have two grown up children and I am a School Business Manager. I feel that I can bring my experience from my own school to St. Gregory's in the areas of finance, safeguarding, HR and Health and Safety. I am an active member of the parish at Our Lady of the Assumption where I am a Eucharistic Minister, Little Church catechist, Baptism catechist and Both Secretary and treasurer of the St. Vincent de Paul Society. In what little spare time I have I enjoy reading.
