

"I am a Reader in Dietetics and I currently work as an academic at Liverpool John Moores University. My role involves teaching undergraduate and postgraduate students, research and supervising PhD students. I worked as an NHS dietitian for over 20 years and I am passionate about promoting healthy eating. I have been a parishioner of Our Lady of the Assumption (OLA) church for most of my life; I went to OLA school, as did my son and I was married in OLA church."
